OK, will do. I will go through all of the documents in the file folder and send her everything pertinent that we would have used developing the NON. regards

The only things that I think we will have are the notifications from PA regarding the exceedances above 2. Scott – Can you please send those to Cheryl (Cheryl – Should they go to you or directly to Bethany)? If there is anything else, Cheryl, I'm out until January 2 and Harry is out until then. We can discuss further then.

Thanks.

Hi Cheryl - You will have to check with Stacie on who is going to compile this request. Scott was the lead on the NON but I have not seen anything directive from Stacie about who is responding to this request.

I need to clarify: compile the records you used to support your decision to issue the NON and the followup letter.
